

## **Gak recipe**

### **Ingredients:**

1 cup [Elmer's glue](#)

[food coloring](#), your choice of color (optional: coloring can stain!)

1 cup liquid starch

Pour glue and coloring in plastic container.

Stir until color is thoroughly mixed in.

Add starch a little at a time, stirring with a spoon or kneading with your fingers as mixture thickens.

Keep stirring until mixture holds together like putty.

Test with your fingers: if too sticky, add more starch in small amounts until mass is smooth and rubbery.
