

SHINE/Mental Health

FA's will follow up **with Internal Referrals initiated from Social- Emotional Screenings** created by the AA

Follow-up Note by the FA to occur **after first CDS classroom debrief**- note will say either "no concerns", or "CDS recommending a referral".

-When I see a note that says "no concerns" I will Resolve the Internal Referral.

-If CDS is recommending a referral create a CONCERN, when I see the Mental Health Behavioral Concern entered, I will Resolve the Internal Referral.
