PROCEDURE:

Insurance will be utilized, if available.

All efforts will be made to assist families in applying for health coverage (e.g., Oregon Health Plan) when there is a possibility that the child may qualify.

When available, community resources will be utilized (Children's Dental Clinic, Lions Club, Siskiyou Community Health and Dental Clinic, Rogue Community Health, La Clinica).

Staff will contact Health Services when seeking to have Southern Oregon Head Start pay for medical or dental services.

Preauthorization for services and the amount covered will be approved by the Health Manager, keeping in mind the limited budget available.

The Health Manager will approve invoices from providers. Payment for preauthorized services are to be made according to the Head Start fee schedules.
