Employee of the Month display!

If you ever stop by the main office, check out the wonderful Employee of the Month board! It's located in the red building in-between the break room and the computer lab!

Learning about Pets!

Last week, Central Point AM Class, made bird feeders with "Cooker Jessie". They wanted to feed some of the birds we have at our center.

Outreach to Child Care from Jackson County Library Services

Outreach to Child Care from Jackson County Library Services is a free early literacy program serving child care centers and homes in Jackson County. Sites caring for four or more children ages zero to six are eligible to receive monthly book bags and 15-30-minute story times. All Outreach to Child Care resources and services are available in English and/or Spanish.

Each monthly book bag contains a unique mix of 40 age-appropriate titles. Along with the book bags, providers may request supplemental materials such as themed bags of 10 books on selected topics, boxes of 10 board books for babies, and children's music CDs.

Materials are sent to your closest branch for pick up.

If delivery to the home or site is needed, it can be arranged. OGC provides gift books to all children at a site four times a year.

For more information, or to request this service, please

contact **Emily Hawks** at **541.774.6564**

or ehawks@jcls.org Emily is also happy to present a Storytime and/or give info about the library at Family Days when their schedule allows.
