RECYCLED CREATIONS AT ROGUE RIVER!

We recycled the castle for the
drive in theatre!

Family Day at Central Point

AM Classroom!

“A Day in the Life of a Preschooler”

We had 15 students, 4 staff, and 17 grown-ups join in.

Families participated in arrival, carpet time, breakfast, toothbrushing, music, and movement, small groups where we made musical instruments, and free choice. It was a great success!!

Reading to the children!

This is Judy Kuehl, Teacher at Rogue River. She is our longest employee, having worked with us for 44 years! Imagine the number of children she has taught!!

Enjoying the New Books!

We got a book box from the library, as well as free books for each child!!

FAMILY DAY AT WEST MEDFORD!

We had a retired speech therapist who volunteers at our school come speak to the families about ways to improve communication.

We had a yummy yogurt and strawberry snack and did crafts with our OT class, and play dough and tissue paper with the IYT class.

FAMILY DAY AT WEST MEDFORD!

Studying Pets at the Ashland Center!

We are studying pets right now here at the Ashland Center, and this week we focused on Rabbits. We had one of our children's parent bring in a pet bunny named Peaches. All the children took turns petting and asking questions about her. She happens to be an Angora Rabbit.
