Story Time at Foothills!

Teacher Kori Anderson who has been with SOHS for 11 years is very animated as she reads a story about a white mitten dropped in the snow, and how different critters found refuge inside and underneath. All the children were so attentive, hanging on to every word!

FOOTHILLS CLASSROOM I

Teacher Lori Steele designed the layout of the classroom based on the needs of the children. This is how it looks after Lori, Gabby Espinosa Martinez, and Nicole Dinsmoor set up the classroom for the pm session. So inviting, colorful, and organized! Can you imagine walking into this classroom?!
