## End of Year Celebration

The children and families had a “make your own pizza” lunch. Then they participated in various activities including making a memory book, hand printing, painting garden stones, and water play. I had some parents initiate a story telling activity and block play as well. The children and families that participated had a blast!

Lorna Byrne Preschool Promise wanted to share with everyone that we participated in a first time every School-wide Lockdown Drill. Both the Middle School and High School participated in this drill. Josephine County Sheriff's Office and Deputies were present for the drill.

We were excited to hear that our very own preschool class did the best out of both school! After the drill was over the Deputies came and hung out with our kiddos at play time. They answered a few questions, and handed out a bunch of stickers!

The deputies pictured are: Deputy Konieczny (left) & Deputy Pittman (right)
