One of our Head Start parents at South Medford, Marisol Rodriguez, has been selected as the 2022 winner of the Frank Roberts Memorial Scholarship from OHSA! We are thrilled that a SOHS parent won, as applications are submitted from Head Start programs all around Oregon.

Marisol Rodriguez has been a Head Start mom for many years. She has volunteered in the classroom and has worked as a CASA worker for a few years. She is going to Rogue community college to complete her degree in Human Services. On top of that, she recently has received her U.S citizenship. Her husband, Eric, was accepted to the nursing program. This family has big dreams! FA and the teachers are extremely proud of them!

PFCE would also like to thank Elie for supporting Marisol through the application process 😊

Illinois Valley High School Seniors Walk by

Lorna Byrne Head Start

Submitted by: McKenzie Donnelly

Illinois Valley High School in Cave Junction had their Senior Walk today (5/26/2022).

All the seniors traveled to Evergreen Elementary, Lorna Byrne Middle School and even made a special trip to our Head Start Center, thanks to Principal Smith, and staff members Mr. and Mrs. Skinner. The Senior Walk is a tradition where they say goodbye to former schools and hello to future graduates. This year, they have 52 students graduating.

Our kids were excited to see them come and go, and even got hugs from some of the graduates.
