Congratulations to Sarah Reed for completing her Infant Toddler GDA endorsement. Sarah is a Teacher Assistant at EHS ABC-G & brings a sense of calm & kindness into the classroom every day.

Congratulations on your new promotion!

Hello, my name is Reejen Cooper. I am the new site manager for Eagle Point and White City. I have been in Head Start for a little over 23 years. Many hats I have worn as well as other duties as assigned. My passion and the love of social aspects of Head Start is why I consider myself a lifer.

I have three wonderful supportive children, and a new life in the valley of the Rouge. I'm super excited to be a part of this awesome work community. Looking forward to an awesome school year.

Congratulations on your new promotion!

Hello, I'm Tiffany Heller the site manager for Redwood and Riverside. Since being a part of Southern Oregon Head Start I have taken on the role of Teacher Assistant, Teacher, Head Teacher and now Site Manager. I have been working in the field for over 14 years and graduated with my Associates of Arts in Child Development. I am here to support our staff, the families and the children to thrive and have an exceptional experience. It is truly a yearly gift watching the process of your child's growth! I have a daughter; her name is Calista. We moved here to grants pass a few years ago from California and have been enjoying the beauty of Oregon. I'm excited to work with such experienced teachers and get to know our lovely families here at Head Start!

Are you looking for me?
