"On Saturday August 27th, 2022 our beloved Anay Alvarez passed away. This just doesn't feel real to all of us. Anay was an amazing person so beautiful inside and out, and unfortunately her time ended way too soon."

Agency Values in Action!

Last year our wonderful AA Amber Weathers purchased this large coloring sheet and pinned it up on a bulletin board with a box of markers

Staff utilized the coloring sheet for brain-breaks for the last few months of school. It was a collaboration of the entire team to complete and what a pleasure it was to watch it progress. While preparing for Orientation this year our team redesigned the bulletin board to showcase the teamwork of all the ABB crew.

It adds a beautiful pop of color to our hallways and shows our incoming families what a great team of humans they are trusting their children with! As their Site Manager I want to celebrate how the ABB team embodies the agency values of Teamwork and Having Fun!
