Snow-kids at Patrick!

Each snowman represents a child in the classroom. They are cut to the height of each individual child and the buttons represent the child's age. The children painted the eyes and mouth. One parent was brought to tears when she saw her child's.

My Size Snowman

Lean this snowman against a wall, to remind you of when I was this small. Fingerprints made the mouth and eyes. This snowman is just my size! So, take him out each Christmas and see, I am not as little as I used to be!
