Huge Kuddos!!

A huge thank you to all that helped support this year's Health Kickoffs! We had 219 participants. I had the privilege of attending briefly on the first day. It was organized and welcoming. The stations were set up to support a good flow and the community partners that attended or brought supplies were a perfect touch. I appreciate the additional support from FAs, Classroom staff, and the many others that supported this event! I recognize that all of the front loading takes so much time and energy, but is well worth it when we bring the program year, a few steps ahead of the 45-day deadlines!

End of Year Celebration at Progress!

“Progress Early Head Start finished off the year in “swimming fashion” last Wednesday afternoon. Both teams put together a great set of activities including water and dinosaurs, playdough/cutters, and face painting.

The families also had an opportunity to use the fun beach themed photo booth. Great fun was had by all. A special thank you to FAs Dane and Andy for all the hard work setting things up.

Congratulations to the Progress team for a successful family day.”
